

# Creativity and games in education summer school:

*Crete, 30 June - 5 July 2013*

## Are you...

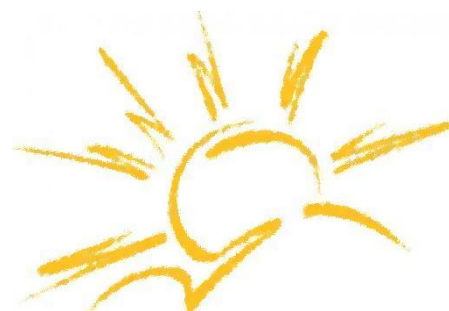

a school teacher, other school staff, or a teacher trainer?

## Are you interested in...

creativity, creative thinking, and/or games in education?

## Join us...

in Crete on 30th June - 5th July 2013.

## ...here:

In the pleasant surroundings of summer-time Crete and a top holiday resort, we will be exploring synergies of creativity and digital games in today's schools, co-designing educational activities together with you and with your own professional context in mind.

## Opportunity for costs covered

This summer-school training course is offered in the framework of Comenius Training. If you apply to your National Agency early enough (by mid-January 2013 at the latest) your travel and participation costs may be covered through a Comenius Training grant.
